---

The Board of Selectmen on January 24, 2005 signed the official notice of their intention to lay out streets at their meeting. There is one new street being proposed for acceptance, Dunham Lane (located between 248 and 266 High Street), and there is one street layout being proposed for acceptance for a sidewalk, at the corner of Elm and Central Streets (a portion of 365 Central Street).

Staff recommends that the Board members visit each of the above listed roads prior to the February 8th meeting (if anything can be seen under the snow) and vote to recommend acceptance of Dunham Lane and the Elm/Central Street street layout to the Board of Selectmen.
